

AMBER TSCHERNING

Voice Talent

I am a voice actor with a passion for bringing characters to life. Whether it's diving into the rich worlds of classic video games or weaving stories in Dungeons & Dragons. I've always been drawn to storytelling and the power of voice. My vocal range stretches from innocent to seductive, sassy to sweet, and everything in between—boyish or girly, robotic or soulful, villainous or heroic. I pour my heart into every role. I am driven by ambition and a love for perfecting my craft. Whatever your character needs, I'm ready to make it real.
